*Att Mr Danny Shaw*

*I wish to thank Modular Movers, for all their hard work with the installation of our modular office you installed for us at Rozelle .The quality of workmanship, communication and safety displayed by you and your staff was at a very high standard and certainly up to our high expectations*

*I would highly recommend Modular Movers to anyone considering doing business with you. Dealing with everyone from the beginning of the project to the end was a pleasure, the building we now occupy is a testament to everyone's hard efforts.*

*Yours Sincerely*
